

BIP39 Seed Phrase Paper Backup

⚠ TEMPORARY BACKUP ONLY - TRANSFER TO STEEL. Paper burns, fades, tears, and dissolves in water. As soon as you've verified these words are correct, copy them onto a fireproof, waterproof steel backup.

⚠ NEVER DIGITIZE THIS PAGE. Do not photograph, scan, or type these words into any phone, computer, or cloud service.

Part of a multisig setup?

☐ No ☐ Yes — Quorum: _____ of _____

⚠ If part of a multisig: also store your wallet descriptor. Your individual seeds alone are not enough to restore a multisig wallet, the descriptor records how they combine.
